C.S.A.S Family Camp Song

1. It's a camp of laughter, a camp of cheers. With the hope to grow for the
   coming years. There's much for us to learn, much for us to share. It's a great camp
   for us all.

2. We have uncle, aunt, many cousins too. All of one big heart and with
   spirits true. It's a family of one, and a family of fun. It's a great camp for us all.

   It's a great camp for us all. It's a great camp for us all.

   It's a great camp for us all. It's a great camp.
